That time has been on my mind for a week and then the mystery was completely solved.

Touyuu-senpai's reaction to that email, the way she was flustered, the way she blushed, and also that man who seemed to be Nanokadou. That man.

I inquired about that man a bit. Among the employees, his personality is dark, expressionless, bad looks in his eyes, indifferent, apathetic, and sarcastic.

At the same time, I was able to confirm Touyuu-senpai's strongly hidden situation regarding that man.

The conclusion that I came to was...She is being stalked by Youkadou!*

If you look at how mismatched her remarks and behavior is then it's obvious! She is obviously being threatened!

It's probably his way of doing things.

Senpai's boyfriend living far away was a good excuse for Nanokadou, who took hold of some kind of weakness, to cleverly use emails to call up Touyuu-senpai, and have sex with her as much as he wants!

*TL Note – I think the author made a typo and put Youkadou instead of Nanokadou

Could it be money or... indecent photos...!

Dammit...! Damn him...!

But! But rest assure, Touyuu-senpai.

Starting tomorrow I will always, always protect you...!

Thus

Over the next few months, though Oda Isogu continued to watch over Touyuu in secret, in reality the struggled was not necessary, but those days were filled with a strange sense of achievement and peace of mind...

End.
